

Department of Education, Training and Employment

**Under this agreement for 2014
Tresswell State School will receive****\$5,000****This funding will be used to**

- Ensure that 100% of students in Year 3 and 7 are achieving National Minimum Standards in Literacy and Numeracy.
- Increase the percentage of students in Years 3, 5 and 7 achieving in the Upper Two Bands in Literacy and Numeracy to greater than 50%.

Our strategy will be to

- Review individual student performance data five weekly using individual learning goals and school assessment data
- Identify students' current performance and set individual learning goals
- Provide targeted intervention to all students (NOTE: no students at Tresswell need intervention due to low performance)

Our school will improve student outcomes by

- | | |
|---|--------|
| <ul style="list-style-type: none">• Employ a teacher to work with individual students in Years 3 and 7 to improve literacy based on data obtained from monitoring of individual learning goals and school-based assessment plans• Employ a teacher to work with students in Years 3 and 7 to implement and analyse NAPLAN practice tests (and data where applicable)• Employ a teacher to work with individual students in Years 3 and 7 to improve numeracy, especially rapid recall of number facts | \$5000 |
