Our school strategies are on track to meet or exceed our targets

During 2015, we have focused on maximising the benefits of this funding for our students. After reviewing our *Great Results Guarantee* agreement, it is clear that we are on track to meet or exceed our targeted student outcomes. We continue to implement our strategies to ensure that every student succeeds.

Strategies implemented include:

- *Employ a teacher to work with individual students in Years 2 and 4 to improve writing techniques
- *Employ a teacher to work with students in Years 2 and 4 to embed the use of language features into their writing practices
- *Employ a teacher to work with students in Years 2 and 4 to implement and analyse NAPLAN practice tests (and data where applicable)
